A D A E A
His dear arms around me are lovingly cast, And sweetly He tells His love

CHORUS

I'm anchored in love divine

A D A E
He saw me endangered and lovingly came, To pilot my storm-beaten soul

draw me ever on life's journey, rendered thus to understand

Chorus (B)

As a songbird that is fallen only to regain the sky.

From this frozen shadow live in, they must be revived

Love is from a distance callin, Faithful as the rising sun
Warms the bitter yard and heartache, Till the east of Ed is one.
Clouds of fear and misconception. Wax and wane as if the moon
So is in us sins forsaken, Till the will of God came round
